SLERF - CHRONOLOGY

1996

SomLalit Education and Research Foundation (SLERF) was established in May, 1996.

Our academic activities under the aegis of this trust commenced from August 12, 1996 with the following two programmes :

(i) Post Graduate Diploma in Business Management - Two years full time programme leading to the award of PGDM.

(ii) Post Graduate Diploma in Business Management - Three years part-time programme leading to the award of PGDM.

Both these programmes have been approved by All India Council for Technical Education (AICTE), a statutory body of the Government of India, New Delhi.

1997

The trust started Three years Under Graduate Programme leading to a degree of Bachelor of Business Administration (B.B.A.). This programme is affiliated to Gujarat University.

1998

The trust started another Two years Full Time Post Graduate Programme leading to the degree of Master of Business Administration (M.B.A.). On successful completion of this programme, the students are awarded the MBA degree of Gujarat Technological University.

1999

The trust launched three-year undergraduate programmes in B.Com and B.C.A., both affiliated with Gujarat University.

2000

The trust established a Partnership in Education with IBM to conduct computer related courses.

2001

The Trust has established its own Information Technology (I.T.) Centre to offer programmes focused on I.T. applications in management, along with a Centre for Management Development Programmes that regularly conducts seminars on emerging business sectors. To support these initiatives and related academic activities, the institutes operate from the Trust's centrally located, 55,000 sq. ft. building in Ahmedabad. Additionally, the Trust has acquired a spacious plot of over 6,000 sq. yards in the Navrangpura area near Sardar Patel Stadium to develop a new campus offering quality education from Pre-Primary to Higher Secondary levels.

2002

The trust undertook the construction of the spacious and ultra modern building measuring 1,15,000 sq. ft. and completed it in a record time of less than six months.

2003

The trust established Jr. School – Pre-Primary and Primary (English & Gujarati Medium).

2004

The trust started Secondary School (English & Gujarati Medium). With a holistic view to provide quality education to students from pre-primary to post graduation and guidance for research, the trust has coordinated its educational activities covering all the stages of education.

2006

The trust started Higher Secondary School - English Medium (Common Stream).

2007

In the continuous endeavor for providing excellence in education at various levels, the trust started:

(i) Higher Secondary School - English Medium (Science Stream) with State of Art Laboratory and other facilities.

(ii) Gujarati Medium (Common Stream) with modern facilities.

(iii) Established College of Education (B.Ed.) approved by NCTE; a Statutory Council, Government of India and affiliated to Gujarat

2019

A significant milestone was achieved as our school secured affiliation with CBSE, enhancing the quality of education and opportunities for our students.

2021

Our MBA College proudly introduced two new specialized courses alongside the regular MBA Programme - MBA in Financial Management and MBA in Information Technology.

2024

SLIMS MBA program got accreditation for 3 years from NBA (National Board of Accreditation).

VISION

To be an institution of choice in the field of management education for all stakeholders by promoting creativity, innovation, and excellence.

MISSION

M2: To inculcate students with ethical values, attitudes, and human approach to become leaders and exemplary citizens.

M3: To engage in high quality research and consultancy in collaboration with institutions and industries.

PEO STATEMENTS

(Program Educational Objectives)

PEO1: To develop individuals to accomplish managerial and or leadership positions in their chosen fields.

PEO2: To foster critical thinking abilities towards data-based decision making in identifying and solving real-life critical business challenges.

PEO3: To prepare professional managers for the dynamic environment to solve and manage social and economic challenges.

MANAGING TRUSTEE'S MESSAGE

At SomLalit Institute of Management Studies, we pride ourselves on being "Driven by Innovation, Anchored in Excellence." This philosophy is at the core of everything we do, from our curriculum, to our faculty, and most importantly, our students. We are committed to nurturing future leaders who are equipped with the skills, knowledge, and ethical grounding to excel in the ever-evolving global marketplace. We believe in transforming potential into limitless possibilities.

Since 1996, SLIMS has fostered a culture of excellence by providing resources, celebrating achievements, promoting collaboration with the Industry and supporting research among all its stakeholders. This culture works as a catalyst for igniting innovation and achievement among students as well as faculties. The proactive approach creates an environment where individuals are empowered to dream big, work hard, and surpass their own expectations, ultimately contributing to the overall success and reputation holistically.

Through personalized mentoring by our faculties and exposure to cutting-edge technologies and industry practices, we ignite ambition in our students. We equip them with the tools, knowledge, and confidence necessary to dream bigger and aim higher than ever before.

Our team comprises experienced faculties, mentors, and industry experts who guide and motivate students as they navigate the complexities of their chosen field. In addition to the university's rigorous academic curriculum, our students engage in live projects, extra academic and non-academic workshops, sessions with industry experts, cultural activities, and CSR activities to ensure holistic development.

Our team of experienced faculties, mentors and industry experts serve as guides and motivators, helping students navigate the complex landscape of their chosen field. Apart from the vigorous academic curriculum prescribed by the university, our students are involved in live projects, additional academic and non-academic workshops, industry expert sessions, cultural activities, CSR activities ensuring holistic development.

We ignite the passion for success in our students through personalized guidance from our experienced faculty and exposure to the latest technologies and industry standards. Our goal is to equip them with the knowledge, tools, and the confidence to aim higher and dream bigger than ever before.

Our alumni network of over 4300 individuals from SLIMS are currently pursuing their careers worldwide in various industries and sectors. We are excited to present the 28th batch of students who are prepared to take their first step into the corporate world. We invite all stakeholders to collaborate with us in the pursuit of professional management education.

Pragnesh K Shastri

**Managing Director
SLERF-Ahmedabad**

FROM THE DESK OF DIRECTOR

It is with immense pride and enthusiasm that I introduce the 28th batch of our MBA program at SomLalit Institute of Management studies. As we embark on the journey of connecting our talented students with esteemed organizations, this brochure stands as a testament to our unwavering commitment to excellence, growth, and mutual success.

In today's fast-paced and competitive business environment, the pursuit of excellence is more than an aspiration—it is a necessity. At SLIMS, we recognize the importance of preparing our students for the myriad challenges and opportunities they will encounter. Our holistic approach to education goes beyond traditional learning; it involves fostering critical thinking, nurturing leadership potential, and honing the practical skills essential for success in the real world.

Our distinguished faculty, who serve not only as educators but also as mentors, play a crucial role in shaping our students into well-rounded professionals. Through innovative teaching methods such as flipped classrooms, role plays, reverse engineering, case studies, and practical industry examples, we ensure our students receive comprehensive exposure to contemporary business practices. Our strong connections with industry experts and alumni further enrich this learning experience.

Our rigorous academic curriculum is complemented by intensive internship programs, live projects, and a variety of workshops and seminars. These initiatives provide our students with invaluable real-world insights and prepare them to be industry-ready from day one. Additionally, our students actively participate in cultural events, CSR activities, and management games, fostering a sense of community and holistic development.

The strength of our institute lies in its vibrant student community, guided by the philosophy of being for the students, by the students, and of the students. Most of our major events and activities are student-driven, with minimal faculty intervention, which cultivates leadership and organizational skills.

As you pursue this brochure, you will find detailed profiles of our dynamic students, each brings a unique blend of skills, knowledge, and enthusiasm. I am confident that they will make significant contributions to your organization and help drive your success.

We are grateful for your continued support and look forward to a lasting partnership. We eagerly anticipate your presence at our campus and the opportunity to collaborate with you.

STUDENTS AND ALUMNI LED EVENTS

We at SOMLALIT Institute not only believe in academic excellence, but also do motivate and inspire students to gain practical knowledge to enhance their skills and capabilities. The students have brought many accolades to the institute by participating, with enthusiasm and excitement, in Inter College and Intra college events and activities such as Business Quiz, Summer Internship Project Competition, Digital Marketing and Motivational Workshops etc. They also manage different events held at our campus like Horizon and Spectrum. The institute arranges industrial visit to provide the students practical knowledge of their class-room learnings. Our students are not just the new face of excellence and talent for the country, but they also have brought the eternal new phase of glory to the institute.

Horizon

Horizon, the annual extravaganza of the college, is the conjunction between the corporate world and students. Aiming to take advantage of the strategic synergies, the students come together, with an attempt to bring the cream of the corporate world on a common platform. This is in view of getting an insight into the various theories and practices that these eminent personalities possess. It is a platform to showcase the experience and skill sets that these business stalwarts have acquired over the years. The student body works extremely hard to provide exceptional management events and informative knowledge sharing sessions which cover a wide range of topics such as marketing, finance, strategy and entrepreneurship. Usually conducted in the first week of January, this event draws attention from various corporate houses and students all over the state thus proclaiming its overwhelming success.

Spectrum

True to its name 'Spectrum', an intercollegiate management event, spreads its rays of vibrance by making it pass through a rigorous evaluation procedure under the critical eyes of judges belonging to renowned academic and corporate background. It is a platform for various B-Schools to participate and win accolades through healthy competition. It helps the students in accomplishing the desired standards in the dynamic corporate world. Aiming to tap the hidden potential and awakening the competitive spirit, Spectrum consists of a series of managerial games designed so as to replicate the actual corporate environment. Events like Biz-Quiz, financial and marketing games which test the management concepts are played with fervour and zeal by students of reputed B-Schools.

Panel discussions, Business Quiz, Entrepreneurship Fest, Industrial and Rural visits, Expert lectures, Debate and social initiatives like Blood donation camp and impactful association with old age home people as well as school students etc. are a glimpse of activities conducted by the institute. Along with participating in activities conducted by the Institute, students also represented the institute in various inter college competitions.

Alumni Meet

The SLIMS Campus often comes alive with the warmth of tradition as alumni regularly gather for nostalgic reunions. The Alumni Meet, held on January 6th, 2024, was one such cherished occasion where former students once again reconnected with old friends and familiar faces. These reunions often echo with laughter, heartfelt stories, and moments that bring college memories rushing back. With conversations often revolving around career milestones, life journeys, and shared experiences, the event reflected the enduring connection alumni have with SLIMS. Such gatherings often reaffirm lasting friendships and celebrate the legacy that binds every alumnus to the institute.

LIVE INTERNSHIP

At SomLalit Institute of Management Studies (SLIMS), Live Projects are a distinctive and ongoing feature that set the institute apart. Unlike conventional internship models confined to a specific semester, SLIMS offers its students the flexibility to work on short-term, real-time assignments with reputed companies during any or all of the four semesters of the MBA program. These projects may be online or offline, full-time or part-time, and are designed to complement academic learning with practical industry insights. Live Projects are structured to enhance students' industry readiness, confidence, and domain understanding, making them more competitive and employable in the job market. By engaging with companies on actual business problems, students learn to apply theoretical concepts in real business contexts — gaining functional experience in sales, marketing, operations, finance, analytics, and research.

DELHIVERY max

SUMMER PLACEMENT

The Summer Internship Project (SIP) is an essential part of the MBA curriculum at Som-Lalit Institute of Management Studies (SLIMS), designed to provide students with practical exposure and real-world business experience.

As per GTU guidelines, students undergo a six-week internship between the second and third semesters, working with organizations across Gujarat, India, or abroad.

Each internship is guided by faculty mentors to ensure academic rigor and outcome-based learning.

For the 2025 Summer Internship cycle, students from the MBA Batch of 2024–2026 were placed in leading organizations such as Odoo, Angel One, Aditya Birla, SBI, HDFC, Kotak Life Insurance, SBS Financial, Ahmedabad Mirror, FundsAudit, Sweetlife, Vadilal, and Learnet, among others.

Two MBA students from SLIMS, Dhruvi Vara and Sanjana Gareja, have been selected to participate in the prestigious International Experience Program (IEP) 2025 at the Australian Institute of Advanced Technologies, Australia. Scheduled from 19th July to 24th August 2025, the program will offer them global exposure and academic enrichment. As part of the program, they will undertake a course in Strategic Management, enhancing their understanding of global business practices and leadership strategies. This opportunity reflects SLIMS' commitment to providing its students with international learning experiences and preparing them for the global business environment.

CONSULTING CAPABILITIES

SLIMS offers a comprehensive suite of services designed to address the diverse needs of businesses across industries.
